AI English Learning Assistant Plugin Terms of Service & Privacy Policy

Effective Date: May 28, 2025
Product Name: AI English Learning Assistant (Google Chrome Extension)
Technology Provider: SpeakCheck Engine

I. Terms of Service

1. Service Definition

Users may access the following features through this plugin:

➢ One-click Screenshot Translation: Performs OCR recognition on user-selected screen areas for English content.
➢ Bilingual Translation Analysis: Generates side-by-side Chinese-English translation results.
➢ Pronunciation Support: Provides American phonetic notation and human-like pronunciation.
➢ AI Speech Evaluation: Uses the microphone to receive user speech and provides pronunciation scoring.

2. Usage Rules

➢ **Prohibited Uses:** Must not be used for illegal purposes such as cracking copyrighted content or exam cheating.
➢ **Device Permissions:** Screenshot functionality requires screen access authorization; speech evaluation requires microphone authorization.
➢ **Content Compliance:** User-submitted content must not contain illegal information or infringe third-party rights.

3. Disclaimer

➢ Translation results may contain errors and are not suitable for professional legal/medical scenarios.
➢ No liability for functional anomalies caused by network latency or device compatibility issues.

II. Privacy Policy

1.Data Collection Types

Data Type	Purpose	Storage Method
Screenshot Content	Real-time OCR text recognition	Temporarily cached in memory (destroyed immediately after processing)
Recognized English Text	Translation & learning analysis	Anonymized storage on encrypted servers
User Voice Input	AI pronunciation evaluation	Real-time analysis (not stored)
Basic Device Info	Compatibility optimization	De-identified storage

2. Key Privacy Protections

➢ **Screenshots:** Original images are never uploaded; only extracted text is processed, with cache immediately deleted.
➢ **Voice Data:** Microphone recordings are analyzed in real-time during evaluation only; never stored or transmitted.
➢ **Text Data:** Translated content is transmitted via TLS 1.3 encryption; server-retained data is anonymized.

3. Third-Party Sharing

➢ **SpeakCheck Engine:** Receives anonymized text data as the core technology provider for translation services.
➢ **Google Analytics:** Collects basic usage statistics (can be disabled in settings).
➢ **Zero Advertising Partnerships:** User data is never shared with advertising platforms.

4. User Rights

➢ **Data Deletion:** Clear historical translation records via one-click option in plugin settings.
➢ **Permission Control:** Disable screen/microphone permissions anytime via browser extension management.
➢ **Opt-Out of Profiling:** No creation of personalized profiles based on user behavior.

III. Children's Privacy Clause

1. This product is not intended for users under 13 and does not actively collect children's information.
2. Guardians may request data deletion at privacy@[yourdomain].com if children inadvertently use the service.

IV. Policy Updates

1. Significant changes will be notified via in-plugin pop-ups.
2. Continued use constitutes acceptance of updated terms.
